# MOSIS Education Program INSTRUCTIONAL Account Application

### Administrative Point of Contact

The administrative point of contact, the person with primary organizational responsibility for the account, communicates with MOSIS about issues related to account access passwords, expiration dates, and other account parameters. The Administrative point of contact should be the class professor or instructor. A student may not be the primary contact for an account.

### Technical Point of Contact (If different)

The technical point of contact, the person will answer students' questions about design and fabrication issues and also their questions about how to work with MOSIS. The technical point of contact can be the class professor, instructor, technical staff or student lead.

Name:

Phone:

Fax:

E-mail:

### Fabrication Plan

Which process are you planning to fabricate?

Technology	Date	Design sizes (mm)

### Required Documents

The following documents must be submitted with the application. Electronic copies are available at <http://www.mosis.org/Customer/Forms/>.

1. MOSIS Education Program Instructional Account Application (this document).
2. MOSIS Customer Agreement. Submit two copies, each with the original signature of a person who is authorized to enter into agreements on behalf of your organization. If your university already has an account with MOSIS, the customer agreement for that existing account will cover new accounts, therefore a new agreement is not necessary.
3. Class enrollment form.
4. MOSIS Individual Academic Non Disclosure Agreement for professor. Submit a copy signed by the professor.
5. List of students or staff members who have signed the MOSIS Individual Academic Non Disclosure Agreement.

NOTE: If you wish to have access to vendor design rules, process specifications, and other proprietary vendor documents, you will need to include in your application package an Application for Access to Vendor Proprietary Documents and signed copies of the appropriate special agreements. Electronic copies are available at <http://www.mosis.org/Customer/Forms/>.

## Application for Access to Vendor Proprietary Documents (MEP INSTRUCTIONAL Account)

Customers seeking access to vendor design rules, process specifications, and other proprietary vendor documents must send MOSIS an "Application for Access to Vendor Proprietary Documents" and signed copies of the appropriate special agreements. Electronic copies of these forms and agreements are available at <http://www.mosis.org/Customer/Forms/>. Your application package must include:

1. Application for Access to Vendor Proprietary Documents (show the agreements you need with a checkmark).
2. Signed copies of all agreements checked in step 1 above.

Vendor/Technology	Required Agreements
AMI Semiconductor(AMIS)	___ AMIS Design Kit License Agreement ___ AMIS Confidential Agreement ___ Submit the "AMIS Access Request Form" available at <a href="http://www.mosis.org/Customer/Forms/">http://www.mosis.org/Customer/Forms/</a> .
Tanner	___ Submit the "Tanner Access Request Form" available at <a href="http://www.mosis.org/Customer/Forms/">http://www.mosis.org/Customer/Forms/</a> .
