

Designers must provide an ARM Tape-Out Information Sheet for each project using ARM (was Artisan) IP.

There are two forms contained in this document, one for designs containing ARM's TSMC library, the other for designs containing ARM's IBM library.

Please complete the appropriate ARM Tape-Out Information Sheet and fax to

+310-823-5624

Attention: Ben Brown.

Thank you.

I

## ARM Tape-Out Information Sheet (TSMC Libraries)

<b>User Information</b>	Company Name		
	User Name		
	Phone Number		
	E-mail Address(es)		
	Company Location (address, city, state, country)		
<b>Tape-Out Details</b>	Foundry	<b>TSMC</b>	
	Process (name, size)		
	Tape-out date		
	MOSIS design ID		
<b>ARM Library</b>	<b>Type</b>	<b>ARM File Name</b>	<b>Version</b>
	Standard Cell		
	I/O		
	ROM		
	SP Register		
	DP Register		
<b>ARM SRAM</b>	<b>Type</b>	<b>ARM File Name</b>	<b>Version</b>
	SP SRAM		
	DP SRAM		
	Memory size (MB)		
	Cell size ( $\mu\text{m}^2$ )		
	Operating frequency (Hz)		
	If any logic operation	<input type="checkbox"/> Yes <input type="checkbox"/> No	
	Was shrinkage applied to SRAM cell	<input type="checkbox"/> Yes <input type="checkbox"/> No	
<b>Additional Information</b>	Internal project name		
	Controller <sup>1</sup> Name		
	Controller <sup>1</sup> Phone Number		
	Does MOSIS need to instantiate?	<input type="checkbox"/> Yes <input type="checkbox"/> No	
<b>MOSIS Use Only</b>	Fab ID		
	Foundry ID		

<sup>1</sup> Controller is business contact who issues purchase order to MOSIS.

## ARM Tape-Out Information Sheet (IBM Libraries)

<b>User Information</b>	Company Name		
	User Name		
	Phone Number		
	E-mail Address(es)		
	Company Location (address, city, state, country)		
<b>Tape-Out Details</b>	Foundry	<b>IBM</b>	
	Process (name, size)		
	Tape-out date		
	MOSIS design ID		
<b>ARM Library</b>	<b>Type</b>	<b>ARM File Name</b>	<b>Version</b>
	Standard Cell		
	I/O		
	SP SRAM		
	DP SRAM		
	ROM		
	SP Register		
	DP Register		
<b>Additional Information</b>	Internal project name		
	Controller <sup>1</sup> Name		
	Controller <sup>1</sup> Phone Number		
	Does MOSIS need to instantiate?	<input type="checkbox"/> Yes <input type="checkbox"/> No	
<b>MOSIS Use Only</b>	Fab ID		
	Foundry ID		

<sup>1</sup> Controller is business contact who issues purchase order to MOSIS.
